## Softwaree License Agreement for the Wild Magic (Version 3) Library Version 1.0c, April 29, 2005

This Software License Agreement is a legal agreement between Geometric Tools, Inc., a North Carolina corporation, and any person or legal entity using or accepting any Software governed by this Agreement. The Software includes computer source code, the associated media, any printed materials, and any online or electronic documentation. The Software and any updates are available online from the Web site `www.geometrictools.com`.

By installing, copying, or otherwise using The Software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, you may not use The Software, and you should remove the Software from your computer. The Software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The Software is licensed, not sold.

This Agreement shall be effective on the first day you use or accept The Software governed by this Agreement, whichever is earlier.

The parties agree as follows:

1. *Grant of License.* We grant you a nonexclusive license to use The Software subject to the terms and conditions of the Agreement:

   (a) There is no charge to you for this license.

   (b) The Software may be used, edited, modified, copied, and distributed by you for noncommercial products.

   (c) The Software may be used, edited, modified, copied, and distributed by you for commercial products provided that such products are not intended to wrap The Software solely for the purposes of selling it as if it were your own product. The intent of this clause is that you use The Software, in part or in whole, to assist you in building your own original products. An example of acceptable use is to incorporate the graphics portion of The Software in a game or game engine to be sold to an end user. An example that violates this clause is to compile a library from only The Software, bundle it with the headers files as a Software Development Kit (SDK), then sell that SDK to others. If there is any doubt about whether you can use The Software for a commercial product, contact us and explain what portions you intend to use. We will consider creating a separate legal document that grants you permission to use those portions of The Software in your commercial product.

2. *Disclaimer of Warranty.* We make no warranties at all. The Software is transferred to you on an "as is" basis. You use The Software at your own peril. You assume all risk of loss for all claims or controversies, now existing or hereafter, arising out of use of The Software. We shall have no liability based on a claim that your use or combination of The Software with products or data not supplied by us infringes any patent, copyright, or proprietary right. All other warranties, expressed or implied, including, without limitation, any warranty of merchantability or fitness for a particular purpose are hereby excluded.

3. *Limitation of Liability.* We will have no liability for special, incidental or consequential damages even if advised of the possibility of such damages. We will not be liable for any other damages or loss in any way connected with The Software.

4. *Entire Agreement, Amendments.* This Agreement represents the complete and exclusive statement of the Agreements between the parties relating to the licensing of The Software and maintenance of The Software and supersedes all prior Agreements and representations between them relating to such licensing. Modifications to this Agreement shall not be effective unless in writing and signed by the party against whom enforcement is sought. The terms of this Agreement shall not be amended or changed by any purchase order or acknowledgment even if we have signed such documents.

5. *North Carolina Law, Severability.* This Agreement will be governed by North Carolina law. If any provision of this Agreement shall be unlawful, void, or for any reason unenforceable, it shall be deemed severable from and shall in no way affect the validity or enforceability of the remaining provisions of this Agreement.
